Price Sheet

Logipad®

New Product!

Part #LP32

The Logipad will increase the strength and holding power of your steel load bars and help to increase sales. The excuse that steel load bars fall off the walls is null and void with this product. The Logipad's adhesive backing will secure the load bar pad to the wall instead of trusting the rubber tread pad. This pad will double the strength of the load bar at a minimum. **32 pieces (16 sets) per case.**

Price per case:	1 to 49	50 to 99	100+
	\$61.00	\$59.00	\$57.00

Security Seals available, see back page

Floor Brace®

New Product!

Part #FB36

Designed for bracing pallets using the trailer floor without the use of wood. One floor brace is much equivalent to one 2x4 but offers added height coverage. **36 pieces per case.**

Price per case:	1 to 49	50 to 99	100+
	\$58.00	\$56.00	\$54.00

Wedge XL®

Improved Product!

Part #WX24

The new improved Domestic Wedge, Designed for use in smooth-sided trailers with several lumber sizes: 4x4s (or two 2x4s nailed together). **24 pieces (12 sets) per case.**

Price per case:	1 to 19	20 to 79	80 to 159
	\$83.00	\$76.00	\$70.00

Wedge International®

Improved Product!

Part #WT32

The new improved International Wedge, designed for use in ribbed-wall trailers with several lumber sizes: 4x4s (or two 2x4s nailed together). **32 pieces (16 sets) per case.**

Price per case:	1 to 19	20 to 79	80 to 159
	\$102.00	\$95.00	\$89.00

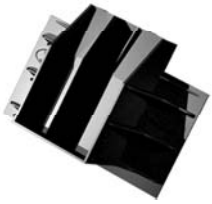

Pallet Cleats

Part #PC100

Pallet Cleats, for the bottom of the pallet. Will prevent walking. 4 per pallet recommended. **100 cleats per case.**

Price per case:	1 to 48
	\$58.00

Super Wedge XL®

Part #WSA24 Our strongest Wedge! It is in final stages of AAR certification and is even stronger than the Super Wedge. **24 pieces (12 sets) per case.**

Price per case:	1 to 19	20 to 79	80 to 159
	\$150.00	\$140.00	\$132.00

Part #WS24

The regular **Super Wedge** is designed for use in smooth-sided trailers with 4x4 lumber (or two 2x4s nailed together.) **24 pieces (12 sets) per case.**

Price per case:	1 to 19	20 to 79	80 to 159
	\$140.00	\$135.00	\$132.00

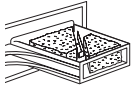

Loadbar XL®

Part #LB36

Designed for light- to medium-weight loads with a single 2x4 beam. The original one-way load bar system - now with pocket inserts for increased bar tension - is an economical way to secure many kinds of freight. **36 pieces (18 sets) per case.**

Price per case:	1 to 19	20 to 79	80 to 159
	\$129.00	\$119.00	\$109.00

Part #FILB100

Special **Foam Inserts** for use with trailers having interior widths of 100 1/2" to 102". These ensure that a standard 2x4 fits tightly into the pockets of the Loadbar XL. **100 pieces (50 sets) per case.**
Price per case: \$23.00

Void Gard®

Part #VG16

The adjustable, cost effective and practical system that enables shippers to fill a variety of void spaces with one product. Perfect for multiple sized voids. No need to stock a variety of void filler sizes. Void Gard will expand from 8"-16". Reusable, ask about additional adhesive pads.
16 sets per case. Call for Pricing

Void Gard XL®

Part #VGXL12

Expands from 16"-32". Reusable, ask about additional adhesive pads. Pricing available upon request. Please let us know if you would like more information on this product! Notice new packaging quantity.
